

WHILE YOU'RE TAKING A BREAK

WE'LL SECURE YOUR OFFICE WITH FOG

SECURED IN SECONDS

There is a PROTECT Fog Cannon to suit your needs

No room is too large or small. Also possible with concealed installations!

- Protect the strongbox, the interior, it-equipment or even the entire premises!
- A modest investment with low operating costs, rapid return on your investment and with up to 5 years warranty
- Leaves no residue and the fog is completely harmless to humans, animals, clothing, furnishings, IT and electrical equipment

THE PERFECT PROTECTION WHILE YOU ARE OUT...

Security fog means the immediate protection of your valuables!

A PROTECT Fog Cannon will fill a room with a blanket of dense security fog, rendering the intruder blind, it works on the principle that you cannot steal what you cannot see.

Break-in

20 sec.

10 - 45 min.

Keep the intruders out for up to one hour - ample time for police or security services to arrive.

This CCTV-recording shows an attempted burglary in an office. After only 3 seconds the burglar is out again. Leaving the valuables untouched. Watch this and many other videos on protectglobal.com.

Relaxing moments with the family become more pleasant when you know your business and valuables are effectively secured in seconds.

BE SAFE - SLEEP WELL WITH SECURITY FOG

Regardless of whether you are a CEO, or the person responsible for the security and buildings, the office's valuables and the safety of the staff will be of paramount importance to you. And after a burglary, it is critical that you are back in business quickly.

Security fog makes theft, vandalism and robbery impossible and leaves you with the peace of mind to focus on running your business and being effective at your job.
