THE PERFECT PROTECTION WHEN YOU ARE OUT...

Fog security means the immediate protection of your valuables!

A PROTECT Fog Cannon will fill a room with a blanket of dense security fog, rendering the intruder blind, it works on the principle that you cannot steal what you cannot see.

Break-in

20 sec.

10 - 45 min.

Keep the intruders out for up to one hour - ample time for police or security services to arrive.

This video shows a construction of an attempted burglary in a private home. After only 3 seconds the burglar is out again. Watch this and many other videos on protectglobal.com.

Relaxing moments with the family become more pleasant when you know your home and valuables are effectively secured in seconds.

BE SAFE - SLEEP WELL WITH Xtratus®

The worst thing to lose is irreplaceable items of great sentimental value like gifts, inheritance, jewellery, art, silverware and furniture.

While you and your family are out, we protect your valuables, computers, hi-fi equipment, cash, children's toys, bikes, cars or whatever makes your life precious.
